

Doctoral Programs
Faculty of Engineering, Khon Kaen University

Including:

1. Civil Engineering
2. Electrical Engineering
3. Agricultural Engineering
4. Industrial Engineering
5. Mechanical Engineering
6. Environmental Engineering
7. Chemical Engineering
8. Computer Engineering
9. Energy Engineering
10. Biomedical Engineering
11. Innovation Engineering
12. Water Resources Management

Qualifications for Applicants

Study Plan	Qualifications
Type 1.1	<p>(1) The applicant must hold a master's degree in engineering, science, technology, industrial technical education, or a related field, which have to be approved by the program's administration committee, and have a cumulative GPA of at least "very good" throughout the course or have a minimum of 1-year work experience.</p> <p>(2) The applicant must meet the English language proficiency requirements set by Office of the Higher Education Commission.</p> <p>(3) Applicants who do not meet the qualifications in (1) and (2) are subject to the discretion of the program's administration committee.</p>
Type 1.2	<p>(1) The applicant must hold a bachelor's degree in engineering, science, technology, industrial technical education, medicine, dentistry, pharmacy, or a related field which have to be approved by the program's administration committee, and must have a cumulative GPA of at least "very good" or have a minimum of 3 years of work experience.</p>

	<p>(2) The applicant must meet the English language proficiency requirements set by Office of the Higher Education Commission.</p> <p>(3) Applicants who do not meet the qualifications in (1) and (2) are subject to the discretion of the program's administration committee.</p>
Type 2.1	<p>(1) The applicant must have completed a master's degree in engineering, science, technology, industrial technical education, or related fields and must be approved by the program's administration committee.</p> <p>(2) The applicant must meet the English language proficiency requirements set by Office of the Higher Education Commission.</p> <p>(3) If the candidate does not meet the qualifications in (1) and (2), it is at the discretion of the Curriculum Management Committee.</p>
Type 2.2	<p>(1) The applicant must have completed a bachelor's degree in engineering or a related field with approval from the program's administration committee and has graduated with honors.</p> <p>(2) The applicant must meet the English language proficiency requirements set by Office of the Higher Education Commission.</p> <p>(3) If the candidate does not meet the qualifications in (1) and (2), it is at the discretion of the Curriculum Management Committee.</p>

For English Score requirement, please see at <https://kku.world/aq3ww>

Scholarships:

1. Scholarships supporting research and study for graduate students to conduct thesis, dissertation or independent study

For master students: up to 30,000 Baht/person

For doctoral students: up to 30,000 Baht/person

2. Award for publishing research work

Doctoral students who have published research work or part of a research work that has been published or accepted for publication in an international journal indexed in SCIE database, starting from the first or second quartile, with at least 2 articles or more (paying only for the second article onwards) and the article must have been accepted before notifying the end of the study. The student must be the first author and will receive a prize of 20,000 Baht.

Master students who have research papers or parts of research papers that have been published or accepted for publication in international journals indexed in the SCIE

database, with at least 1 article, and the work must have been accepted before the end of the student's program. The student must be the first author. If the article is in the 1st or 2nd quartile, the student will receive a prize of 20,000 Baht. If the article is in the 3rd or 4th quartile, the student will receive a prize of 10,000 Baht.

Admission

Submit the application via <https://interadmission.gs.kku.ac.th/>

Recommended Admission Period:

First semester: January – April

Second Semester: August – September

Tuition Fee

Fees	Regular Program	Special Program
Tuition Fee	37,500 Baht	47,500 Baht
International Student Fee	15,000 Baht	15,000 Baht
